

Banxico announces corporate bond repo transactions

October 9, 2020

www.banorte.com
@analisis_fundam

- Banxico will offer credit institutions the facility to enter into corporate securities repo operation with a maturity of up to 91 days for an amount of MXN 90.12 billion (US\$ 4.2 billion)
- The amount includes this week's maturities for \$100 million allocated in the first operation carried out last July 3th
- Repo operations will be offered today from 10:00am to 11:00am (ET)
- The settlement date will be on Monday, October 12th
- This repo operation will be carried out based on the terms of the Operating Rules of Circular 18/2020, published in the Official gazette on May 19th, as well as on [the adjustments announced by Banxico on July 15th](#)
- Based on both documents, the cost of the repo agreement will be equivalent to 1.03x the average of Banco de México's overnight interbank interest rate -today at 4.25%- in effect on the day of the repurchase agreement -cost at 4.377%-
- Securities offered for repo must have at least two global or national ratings by S&P Global Ratings, Fitch Ratings, Moody's Investor Service or HR Ratings of at least 'BB+ / BB+ / Ba1 / HR BB+ (G)' and 'mxA / A(mex) / A2.mx / HRA', respectively
- We do not have additional information on which securities will be offered as repo transactions, some of the issuers that meet the characteristics described above are Pemex, CFE, Coca-Cola Femsa, América Móvil, Arca Continental, Bimbo, FEFA, Liverpool, Grupo Palacio de Hierro, GAP, Grupo Carso, Grupo México Transporte, Orbia, Opsimex, among others
- Additionally, the range of securities that can be subject to repo transactions was extended in order to include bonds issued by private banks under certain conditions
- This repo operation is part of the [additional credit and liquidity measures](#) announced together with Banxico's 50bps rate cut on April 21st, with the total amount of the program being of up to MXN 100 billion (US\$ 4.6 billion) with the possibility of adjusting, attending market conditions. Hence, financial authorities continue to actively implement strategies to preserve the best liquidity conditions of the financial system

Moreover, we also state that we have not received, nor receive, or will receive compensation other than that of Grupo Financiero Banorte S.A.B. of C.V. for the provision of our services.

Relevant statements.

In accordance with current laws and internal procedures manuals, analysts are allowed to hold long or short positions in shares or securities issued by companies that are listed on the Mexican Stock Exchange and may be the subject of this report; nonetheless, equity analysts have to adhere to certain rules that regulate their participation in the market in order to prevent, among other things, the use of private information for their benefit and to avoid conflicts of interest. Analysts shall refrain from investing and holding transactions with securities or derivative instruments directly or through an intermediary person, with Securities subject to research reports, from 30 calendar days prior to the issuance date of the report in question, and up to 10 calendar days after its distribution date.

Compensation of Analysts.

Analysts' compensation is based on activities and services that are aimed at benefiting the investment clients of Casa de Bolsa Banorte and its subsidiaries. Such compensation is determined based on the general profitability of the Brokerage House and the Financial Group and on the individual performance of each analyst. However, investors should note that analysts do not receive direct payment or compensation for any specific transaction in investment banking or in other business areas.

Last-twelve-month activities of the business areas.

Grupo Financiero Banorte S.A.B. de C.V., through its business areas, provides services that include, among others, those corresponding to investment banking and corporate banking, to a large number of companies in Mexico and abroad. It may have provided, is providing or, in the future, will provide a service such as those mentioned to the companies or firms that are the subject of this report. Casa de Bolsa Banorte or its affiliates receive compensation from such corporations in consideration of the aforementioned services.

Over the course of the last twelve months, Grupo Financiero Banorte S.A.B. C.V., has not obtained compensation for services rendered by the investment bank or by any of its other business areas of the following companies or their subsidiaries, some of which could be analyzed within this report.

Activities of the business areas during the next three months.

Casa de Bolsa Banorte, Grupo Financiero Banorte or its subsidiaries expect to receive or intend to obtain revenue from the services provided by investment banking or any other of its business areas, by issuers or their subsidiaries, some of which could be analyzed in this report.

Even though this document offers a general criterion of investment, we urge readers to seek advice from their own Consultants or Financial Advisors, in order to consider whether any of the values mentioned in this report are in line with their investment goals, risk and financial position.

Determination of Target Prices

For the calculation of estimated target prices for securities, analysts use a combination of methodologies generally accepted among financial analysts, including, but not limited to, multiples analysis, discounted cash flows, sum-of-the-parts or any other method that could be applicable in each specific case according to the current regulation. No guarantee can be given that the target prices calculated for the securities will be achieved by the analysts of Grupo Financiero Banorte S.A.B. C.V, since this depends on a large number of various endogenous and exogenous factors that affect the performance of the issuing company, the environment in which it performs, along with the influence of trends of the stock market, in which it is listed. Moreover, the investor must consider that the price of the securities or instruments can fluctuate against their interest and cause the partial and even total loss of the invested capital.
