Financial Markets Daily

Main drivers for the financial markets today...

- Stk mkts(+), govt bond yields(+) and USD mixed as speculation grows that the @federalreserve may delay tapering after last week's weaker than expected employment report. Moreover, aluminum reaches a one-decade high
- This week, markets will turn their attention to ECB monetary policy decision, along with announcements in Australia, Canada, Poland, Malaysia, Russia, Ukraine and Peru
- In the US, markets will be closed today for Labor Day holiday. Later, consumer credit (Jul), PPI (Aug), weekly initial jobless claims, as well as the Beige Book and comments by several Fed members
- Additionally, investors are speculating that Joe Biden could decide about a
 possible extension of Jerome Powell for a second term as Fed chair. It will also be
 important to see the US stance on Afghanistan and the expiration of additional
 employment benefits
- Final GDP and employment (2Q21) will be published in the Eurozone, together with the ZEW expectations survey (Aug). In China, consumer and producer inflation, trade balance and investment (Aug)
- In Mexico, June's gross fixed investment (-1.8% m/m) and private consumption (-0.8%) were released earlier. Other figures include industrial production (Jul), inflation, wage negotiations and auto sector figures (Aug), along with the survey of expectations from Citibanamex. In addition, the Mexican government will deliver the FY2022 budget proposal to Congress on September 8th

Equities

- Positive sentiment in stock markets, while investors continue assimilating weak labor market figures in the US, which have risen speculations that tapering may be somewhat delayed. In the US, futures rise, though markets will remain closed for "Labor Day" holiday, which will affect traded volume in other markets
- In Asia the session concluded with widespread gains, standing out Japan, with
 the Nikkei reaching new highs, with the expectation that new economic policies
 may be implemented once PM Yoshihide Suga steps down. Europe trades
 positive, supported by the rise in technology stocks, while aluminum producers
 are reacting to the new highs in metal prices, after Guinea's political tensions.
- In México, the preliminary rebalancing results for the S&P S&P/BMV IPC Index show VOLAR A shares to be included by September 20th

Sovereign fixed income, currencies and commodities

- Today US market will be closed due to Labor Day decreasing the trading volume. Modest pressures in European rates adjusting +1bp. In Mexico, the Mbonos' yield curve flattened last week, with the 10-year benchmark closing at 6.99% (unchanged w/w)
- The USD trades with gains against most of developed currencies with AUD leading losses (-0.3%). In EM, bias is mixed with TRY as the strongest (+0.5%), while MXN trades at 19.89 per dollar (+0.2%), after a 1.4% weekly appreciation
- Crude-oil falls as Saudi Arabia cut prices for Asian buyers raising competition amid uncertainty in the demand outlook. Negative performance in metals except for aluminum which gains 1.1% reaching multi-year highs

Corporate Debt

- S&P Global Ratings upgraded the rating for Metrofinanciera's MBS, METROCB 04U, to 'mxAA+ (sf)' from 'mxAA (sf)' following the increasing credit protection levels derived from the full turbo amortization scheme where the transaction stands now
- Moody's assigned ratings to Coca-Cola FEMSA's proposed sustainability linked bonds (KOF 21L / 21-2L, MXN 10.0 billion) of 'A2' on a global scale and 'Aaa.mx' on a local scale. KOF's ratings benefit from its position as the largest bottler worldwide of the Coca-Cola franchise
- S&P Global Ratings assigned ratings for Cetelem's proposed unsecured notes (CETELEM 21-3 / 21-4, MXN 2.0 billion) of 'mxAAA'. The ratings are based on the unconditional and irrevocable guarantee granted by its holding company based in France, BNP Paribas

Moreover, we also state that we have not received, nor receive, or will receive compensation other than that of Grupo Financiero Banorte S.A.B. of C.V for the provision of our services.

Relevant statements.

In accordance with current laws and internal procedures manuals, analysts are allowed to hold long or short positions in shares or securities issued by companies that are listed on the Mexican Stock Exchange and may be the subject of this report; nonetheless, equity analysts have to adhere to certain rules that regulate their participation in the market in order to prevent, among other things, the use of private information for their benefit and to avoid conflicts of interest. Analysts shall refrain from investing and holding transactions with securities or derivative instruments directly or through an intermediary person, with Securities subject to research reports, from 30 calendar days prior to the issuance date of the report in question, and up to 10 calendar days after its distribution date.

Compensation of Analysts.

Analysts' compensation is based on activities and services that are aimed at benefiting the investment clients of Casa de Bolsa Banorte and its subsidiaries. Such compensation is determined based on the general profitability of the Brokerage House and the Financial Group and on the individual performance of each analyst. However, investors should note that analysts do not receive direct payment or compensation for any specific transaction in investment banking or in other business areas.

Last-twelve-month activities of the business areas.

Grupo Financiero Banorte S.A.B. de C.V., through its business areas, provides services that include, among others, those corresponding to investment banking and corporate banking, to a large number of companies in Mexico and abroad. It may have provided, is providing or, in the future, will provide a service such as those mentioned to the companies or firms that are the subject of this report. Casa de Bolsa Banorte or its affiliates receive compensation from such corporations in consideration of the aforementioned services.

Over the course of the last twelve months, Grupo Financiero Banorte S.A.B. C.V., has not obtained compensation for services rendered by the investment bank or by any of its other business areas of the following companies or their subsidiaries, some of which could be analyzed within this report.

Activities of the business areas during the next three months.

Casa de Bolsa Banorte, Grupo Financiero Banorte or its subsidiaries expect to receive or intend to obtain revenue from the services provided by investment banking or any other of its business areas, by issuers or their subsidiaries, some of which could be analyzed in this report.

Securities holdings and other disclosures.

As of the end of last quarter, Grupo Financiero Banorte S.A.B. of C.V. has not held investments, directly or indirectly, in securities or derivative financial instruments, whose underlying securities are the subject of recommendations, representing 1% or more of its investment portfolio of outstanding securities or 1 % of the issuance or underlying of the securities

None of the members of the Board of Grupo Financiero Banorte and Casa de Bolsa Banorte, along general managers and executives of an immediately below level, have any charges in the issuers that may be analyzed in this document.

The Analysts of Grupo Financiero Banorte S.A.B. of C.V. do not maintain direct investments or through an intermediary person, in the securities or derivative instruments object of this analysis report.

Guide for investment recommendations.

	Reference
BUY	When the share expected performance is greater than the MEXBOL estimated performance.
HOLD	When the share expected performance is similar to the MEXBOL estimated performance.
SELL	When the share expected performance is lower than the MEXBOL estimated performance.

Even though this document offers a general criterion of investment, we urge readers to seek advice from their own Consultants or Financial Advisors, in order to consider whether any of the values mentioned in this report are in line with their investment goals, risk and financial position.

Determination of Target Prices

For the calculation of estimated target prices for securities, analysts use a combination of methodologies generally accepted among financial analysts, including, but not limited to, multiples analysis, discounted cash flows, sum-of-the-parts or any other method that could be applicable in each specific case according to the current regulation. No guarantee can be given that the target prices calculated for the securities will be achieved by the analysts of Grupo Financiero Banorte S.A.B. C.V, since this depends on a large number of various endogenous and exogenous factors that affect the performance of the issuing company, the environment in which it performs, along with the influence of trends of the stock market, in which it is listed. Moreover, the investor must consider that the price of the securities or instruments can fluctuate against their interest and cause the partial and even total loss of the invested capital.

The information contained hereby has been obtained from sources that we consider to be reliable, but we make no representation as to its accuracy or completeness. The information, estimations and recommendations included in this document are valid as of the issue date, but are subject to modifications and changes without prior notice; Grupo Financiero Banorte S.A.B. of C.V. does not commit to communicate the changes and also to keep the content of this document updated. Grupo Financiero Banorte S.A.B. of C.V. takes no responsibility for any loss arising from the use of this report or its content.
